BANKEROT, KRISE OG HVA’ SÅ? / 2. - 6. JUNE 2013

Vallekilde Folk High School welcomes you to a four-day community practice around facilitated dialogues, artwork, woodwork, music and cooking. Story-telling will be used as transformational tool in exploring the concept of crisis and new possibilities. You will meet qualified facilitators, storytellers, practitioners and artists and a welcoming atmosphere – the best conditions for learning the dance of the individual and the collective and experiencing and practicing collective co-creation.
