the Art of Collaborative Leadership

Leading Together in Complex Times

*Join us in Philadelphia to
explore conversations that
matter*

How could conversations of possibility shift your work?

Are you interested in sharpening your skills to engage your team, organization or community in collaborative change and innovation? Are you ready to grow your practice of leading together in the complex times we are experiencing?

Learn and practice proven patterns and methods for collaborative leadership and change.

Build stronger teams and partnerships by engaging others in meaningful conversations that promote resilience, belonging, innovation and collective impact.

Learn practices to engage skillfully with conflict and stuck patterns. Develop leadership confidence for facing challenges that don't have apparent solutions.

This is for you if:

- You are hungry for a better way to host collaborative conversations that lead to deeper engagement and wiser action
- You need to bring together diverse voices with strong views to learn, grow and generate solutions together
- You are tired of unproductive meetings and repetitive debates
- You are looking for proven ways to fuel your courage to host change at work, at home or in your community - anywhere that matters to you
- You are ready to learn new ways to step in, step up and practice hosting the possibility and potential that lives in collective wisdom

The Art of Hosting Conversations That Matter

This three day learning experience is based in the Art of Hosting Conversations That Matter.

Enrollment is open to anyone.

Responsive Planning Processes

Plan to bring your work, projects, ideas and initiatives to explore and develop. The experience is tailored for whoever shows up. There is no room for spectators.

Learn simple yet powerful approaches to planning, better decision-making and greater engagement. We will draw on Chaordic Path and Chaordic Stepping Stones, Worldview Intelligence™, World Café, Open Space Technology and Circle Practice, to name a few.

Hosting Team

Kathy Jourdain, MBA, from Nova Scotia, Canada and Jerry Nagel, MA, PhD, from Minnesota, USA will be joining Rich Wilson and Mike Ritzius to co-lead the training. Jerry and Kathy have been Art of Hosting Stewards and Practitioners for a decade. They recently co-founded a new body of work called Worldview Intelligence™. Mike and Rich work with the New Jersey Education Association and have been bringing Collaborative Leadership Practices alive in their work with both organizing and professional learning on a regular basis.
